## Hamilton Carriage House

310 North 4th, Hamilton - 363-5410 extension 112

### Multimedia Conference Room or Class Room

The Hamilton Carriage House Conference Room can be reconfigured to be:

- **A conference room.** Ethernet hookups, WiFi, and Conference Phone is available. Built in projector and screen as well as a Plasma Monitor can be used for presentations. A computer with Powerpoint and other presentation software is available. Use a USB memory, CD-ROM, DVD, VHS, or your own laptop with VGA or DVI output. The room can be configured into two separate meeting rooms by simply installing four panels. In addition, a portable projector and screen is available.

- **A studio.** All of the furniture can be moved because all have felt padding. The room can become empty floor space in 5-10 minutes.

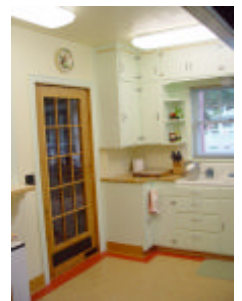

- **A classroom.** Stadium style seating can be set up quickly with over 30 chairs, both stack chairs and wooden folding chairs are available in the closet. You can use the built-in presentation projector, computer, screen, and/or plasma display. A portable projector and screen can also be provided.

- **Go to the movies.** You can go to the movies and watch VHS or DVD movies on our wide screen.
